COURSE OBJECTIVE:

This offering is designed to assist the Registered Nurse desiring to prepare for the Board of Certification in Emergency Nursing Examination, designating Certification in Emergency Nursing (CEN). This course will discuss the principles of emergency nursing and management of conditions commonly seen in the emergency department setting.

CONTINUING NURSING EDUCATION STATEMENT:

15 Type I Nursing contact hours are provided. The Emergency Nurses Association is an Approver of Continuing Education. ENA's standards meet the required criteria for most State Boards of Nursing. This activity meets Type I criteria for mandatory continuing education requirements toward relicensure as established by the BNE for the State of Texas. ****Participant must attend both full days to receive contact hours *****

LUNCH is provided both days.

Early registration is encouraged !

NO Refunds will be given unless course is canceled. Substitutions are welcome.
